

Experience Gidgegannup

Gidgegannup is nestled in the unspoilt forests and native bush east of Midland in the rolling hills beyond the Darling Scarp. It is known for its natural beauty with a number of scenic walking trails, a wildlife drive, native bird sanctuary, and the annual agricultural show and small farm field day.

Visitors to the area are encouraged to enjoy a pie from the bakery, pick up some local produce, visit the convict ruins, browse the art galleries and stay overnight at any one of the charming bed and breakfasts.
